

Dear Riverside families,

The RHS Fine Arts Boosters are pleased to continue partnering with Kaplan Test Prep to help your child prep smarter and score higher on the SAT, ACT and PSAT. Higher scores can increase your child’s scholarship and college admissions opportunities. Kaplan’s program at RHS provides your child with the most personalized prep experience, unmatched expertise, and guaranteed results at a more affordable price. Below, please find a list of services that Kaplan Test Prep will be offering on campus throughout the 2016-2017 school year.

Practice Test Events & Seminars: Practice tests are administered under test-like conditions. Families receive a detailed score report that highlights personal strengths and weaknesses. The Riverside High School Fine Arts Boosters will collect a \$20 registration fee per test to participate in the events listed below (all proceeds go directly to the Fine Arts Boosters).
